RE: Notice of Entry of Stipulated Judgment
State of California v. A Greener Globe

03 JUL 23 PM 12:54
RECEIVED
SACRAMENTO
CVRWOCB

Dear Steve and Rob:

I have enclosed a copy of the filed stipulated judgment in this case for your file. Please note that the entry date is the trigger for Greener Globe's obligation to pay the first \$5,000 within 90 days.

I would appreciate knowing how you would like to monitor compliance. Presumably, Catherine and the both of you will continue to be the points of contact, but if you have other ideas, let me know.

Sincerely,

A handwritten signature in cursive script, appearing to read "Bruce Reeves".
